WHAT IS DEEL'S STORY?

- After graduating from MIT in 2014, co-founders Alex Bouaziz and Shuo Wang noticed a trend among their friends: they couldn't get the jobs they were highly qualified for due to visa issues and barriers created by local labor laws outside their respective home countries.
- What started as a contractor management solution grew into a global workforce management platform spanning payroll, HR, IT, and services.
- At the end of 2024, Deel became the largest remote company in the world, employing more than 5,000 Deelers in 110+ countries.
- Now, in 2025, Deel serves over 650,000 workers and 40,000 customers, including Fortune 500 companies like Shopify, Reddit, and Coinbase.

WHO IS DEEL FOR?

How do I earn commissions?

Share your referral link—available in PartnerStack.

Lead books a demo

A potential Deel customer clicks your link and schedules some time to learn more about Deel with our team.

Lead is sales qualified

Deel team meets with your lead. If there is a real fit between Deel and their business needs, that lead will be marked by Deel as a Sales Qualified Opportunity (SQO).

You earn commission

Receive **$500** USD for each lead that converts to a sales qualified opportunity.

You earn more commission

Receive **$1,000** for any lead that converts from a sales qualified opportunity to a new Deel customer. That means when your lead becomes a Deel customer, you receive **$1,500** USD total in commission.

Where should I share my referral link?

Embed a link in your videos

And don't forget to add the link to your video description, and mention it verbally in your video too.

AFFILIATES SUCCESS TIPS

Using PartnerStack will help you succeed

PartnerStack

PartnerStack is a partner relationship management platform that enables you to:

- ✓ Get your referral link
- ✓ Track referrals and rewards
- ✓ Get paid automatically
- ✓ Communicate directly with Deel's Affiliate Program team
- ✓ Access Deel resources, like videos, banners, logos, and more!

AFFILIATES SUCCESS TIPS

Understand your audience

- Learn what matters to them, and understand their problems. Tailor your content to provide solutions and information that will resonate with them. Help them see how Deel can solve their pain points, and they will be more likely to accept your invitation to try Deel!

- Deel does not pursue referrals with free email domains (e.g. gmail, yahoo, hotmail, etc.). Only referrals with valid business email addresses are eligible for commission. This is a long-time policy, and should factor into your decisions about how and to whom you promote Deel.

Share, share, share your referral link.
The more you share, the more likely you are to earn!
